

My name is Dale Sprout. I have been in business since 1973. I have focused on Financial Services and Insurance. I am an independent agent and therefore have access to many companies in each of the lines that I represent.

### **Health Insurance**

I have access to all the major companies in Minnesota for individual coverage. I will assist you in finding another agent if you live outside of Minnesota.

### **Investments**

I do some company retirement plans but mostly focus on individual IRA's and rollovers from company retirement plans along with regular individual investments in mutual funds and stocks.

### **Life Insurance**

I have access to most of the life insurance market and specialize in term life insurance. If you haven't checked your rates in the last two years, you should.

### **Auto and Homeowner Insurance**

I have access to about 25 major companies.

If I can help you please call me at 763-536-3563 or email me at [ddsprout@hotmail.com](mailto:ddsprout@hotmail.com)

Sincerely,

Dale Sprout
